

## Student Transportation

School Year: 2016-2017

**Cyber Village Academy** has several options for transporting students to school. Please choose from the following options for the 2016-17 school year. If your needs change, you may make a different selection any time during the year by contacting the school transportation office at [transportation@cva.k12.mn.us](mailto:transportation@cva.k12.mn.us).

Option 1 \_\_\_\_\_

Student(s) will take the Cyber Village Academy school bus. This option is available within the boundaries of Saint Paul and from homes farther than two miles from school. Bus stops and routes will be finalized once we know the number and home locations of students who select this option. Every effort will be made to have bus stops within 2 miles of every home within the boundaries and for bus routes to be less than 50 minutes. Final bus stops and routes will be communicated prior to the start of school.
