305 POLICY IMPLEMENTATION

I. PURPOSE

The purpose of this policy is to clarify the responsibility of the school administration for implementation of school board policy.

II. GENERAL STATEMENT OF POLICY

- A. It shall be the responsibility of the director to implement school board policy and to recommend additions or modifications thereto. The administration is authorized to develop guidelines and directives to effectuate the implementation of school board policies. These guidelines and directives shall not be inconsistent with said policies. At least annually, these written procedures shall be presented to the school board for review.
- B. Employee and student handbooks shall be subject to annual review and approval by the school board.
- C. The director shall present to the school board recommended changes necessary to reflect new or modified policies. Changes of substance within handbooks shall be reviewed by the director to assure compliance with school board policy and shall be approved by the school board.
